AN EXPERIENCE EMPHASIZING:

COMMUNITY - a shared adventure for a variety of ages, reflecting the shape of the broader community of st ben's

SPIRITUAL NURTURANCE - each day infused with ways of relating, living, playing in creation and sharing community that bring together activity and spiritual formation, as well as time set aside for intentional spiritual nurturance

PERSONAL AND CHARACTER DEVELOPMENT - an opportunity for each participant to challenge themselves, providing a safe place for them to get outside their comfort zone

SKILLS DEVELOPMENT - supervision and instruction will be provided in a number of areas, allowing each participant to move at their own pace

PROGRAM - options in skill areas such as bouldering, mountain biking, badminton, individualized challenge, and drama /art

Off site activities including a beach afternoon, group hike, beginner and advanced mountain bike rides, and free time for various sports
